

### Spirit Alive! Communion Assistant

Thank you for your service to God and Spirit Alive!. Holy Communion is one of the primary elements of the worship service. Through Communion believers meet our Lord Jesus and receive the gifts of forgiveness, life, and salvation. It is a privilege to serve communion in the assembly of believers.

#### Duties of Communion Assistant

- The pastor will call the assistants up to the table. The assistants will approach the table.
  - Find the hand sanitizer and apply it to your hands.
  - Each assistant will take a chalice of wine from the table and a small paper towel. An assistant will stand on either side of the pastor during communion.
  - As congregants come forward for communion, each one will choose a small glass for the wine. The pastor will distribute the bread, and the congregant will come to the assistant for wine. Pour a small amount of wine into the glass saying, "The blood of Christ shed for you." Continue this process until all have communed.
  - Make note if someone in the congregation was physically not able to come forward, go back with the pastor and give them Communion where they are sitting.
  - Return to the table to commune the pastor and the assistants, saying (with the bread) "The body of Christ given for you," and (with the wine) "The blood of Christ shed for you."
- At this time return to your seat.
